4. PASSPORT AND VISAS

- 4.1 Guests must hold fully valid passports for the whole duration of their stay and the expiry date must be at least 6 months after the check-out date. Certain countries insist on machine-readable and digital photo passports, especially Russia and USA. Each passenger must present for inspection upon request the Booking Confirmation, a valid passport as well as any visa, entry or exit permit.
- 4.2 The Company is not responsible for obtaining visas for any Guest, this is the responsibility of the individual Guest.
It is the duty of the Guest to verify that his/her passport, visas, or other documents for travel are accepted in the countries where the stay is deployed. Guests are strongly advised to check for all legal requirements for travelling abroad, attending events and at the various ports to include the requirement of visas, immigration, custom and health.
- 4.3 Guests under 18 years of age (or 21 years of age for US Guests or Guests embarking from a US port) must embark on board accompanied by their parents or a legal guardian.
If the minor is embarking on board with Guests that are not his parents or legal guardians, the Company shall require, at the moment of booking, a document signed by the parents or legal guardian authorizing the minor to stay on board with a chaperone or a designated individual, in accordance with Company's policies.

Some restrictions may apply to minors accessing to single events/services. They will be displayed in our communication channels and/or directly communicated to our Guests. Children under the age of 16 will need to have a signed minor's form by the parent(s) to access Paddock club and Paddock.

- 4.4 The Carrier reserves the right to check and record details of the documentation in clause 4.1. The Carrier makes no representation and gives no warranties as to the correctness of any documentation that is checked.

5. FITNESS TO STAY ON BOARD

- 5.1 The safety of all Guests is of paramount importance to the Company, hence all Guest warrant that they are fit to stay on board, to travel by sea (and if applicable by air) and that their conduct or condition will not impair the safety or convenience of the vessel or aircraft and the other Guests, and that they can stay on board and be carried safely in accordance with applicable safety requirements established by International EU or national law.
- 5.2 Any Guest with a condition that may affect fitness to stay on board on to travel must inform the Company at the time of Booking and submit a doctor's certificate prior to Booking. In any case, the Company and/or the Carriers has the right to request – at their own discretion – the Passenger to produce medical certificates supporting the fitness to stay on board and to travel.
- 5.3 Pregnant women are requested to seek medical advice before getting onboard; at any stage of their pregnancy they must obtain a medical certificate from a doctor confirming their fitness to stay and travel on board the vessel.
- 5.4 The Company and/or the Carriers do not have on board any of the cruise vessels adequate medical facilities or equipment for childbirth. The Company cannot accept a Booking and the Carrier cannot carry any Passenger who will be 24 weeks pregnant or more by the end of the check-out scheduled date.
- 5.5 The Company and the Carrier expressly reserve the right to refuse boarding to any Guest who appears to be in any advanced state of pregnancy or who does not provide the medical certificate according to clause 5.2 above and shall have no liability in respect of such refusal.
- 5.6 In order to ensure that the Carrier is able to host Guests safely and in accordance with applicable safety requirements established by international, EU or national law or in order to meet safety requirements established by competent authorities, including the vessel's flag state, the Guest warrants that his/her conduct or condition will not impair the safety of the Vessel or inconvenience other persons onboard.
- 5.7 If it appears to the Company and/or the Carrier, the Master or the Vessel's doctor that a Guest is for any reason unfit to stay on board and/or likely to endanger safety, then the Carrier or the Master shall have the right to take any of the following courses: (i) to refuse to embark the Guest; (ii) to disembark the Guest; (iii) to transfer the Guest to another berth or cabin; (iv)

if the Vessel's doctor considers it advisable, to place or confine him/her in the Vessel's hospital or to transfer the Guest to an ashore health facility at the Guest's expense; and/or (v) to administer first aid and administer any drug, medicine or other substance or to admit and/or confine the Guest to a hospital or other similar institution ashore at the Guest's expense, provided that the ship's doctor and/or Master considers that any such steps are necessary.

- 5.8 Unless provided under any applicable law, where a Guest is refused embarkation as a result of safety and/or fitness to stay on board, the Company and the Carrier shall not be liable for any loss or expense occasioned to the Guest thereby, nor shall the Guest be entitled to any compensation from the Company and the Carrier.
- 5.9 The Vessel has a limited number of cabins equipped for Disabled Persons, available on a first come, first served basis. Not all areas or equipment on the Vessel are suitable for access to Disabled Persons.
- 5.10 The Company and/or the Carrier reserve the right to refuse boarding to anyone who has failed to notify it of their specific needs with regard to accommodation, seating or services required from the Carrier or terminal operator, or their need to bring medical equipment, or to bring a Recognised Assistance Dog on board the Vessel, or of any other known disabilities, or who in the Company and/or Carrier's and/or Master's opinion is unfit or unable to stay on board, or anyone whose condition may constitute a danger to themselves or others onboard on the grounds of safety.
- 5.11 Guests who need assistance and/or have special requests or need special facilities or equipment with regard to accommodation, seating or services required or their need to bring medical and mobility equipment, must notify the Company at the time of booking. This should include detailed information required to assist Company in making available accessible transport to Disabled Persons. Wheelchair users must specify whether they operate a manual or powered wheelchair and inform the Company whether they require portside or stadium facilities and services at the time of booking. This is to ensure that the Guests can safely embark, disembark and remain on board in accordance with all applicable safety requirements. The Carrier is not obliged to provide any assistance or meet special requests unless the Carrier has agreed to do so in writing. If any Guest cannot be carried safely and in accordance with applicable safety requirements, then the Carrier can refuse to accept a Guest or embarkation of a Disabled Person on the grounds of safety.
- 5.12 Wheelchair users must furnish their own standard size wheelchairs. The Vessel's wheelchairs are available for emergency use only. Where the Carrier considers it strictly necessary for the safety of the Guest it may require a Disabled Person to be accompanied by another person or a Recognised Assistance Dog who is capable of providing the assistance required by the Disabled Person. This requirement will be based entirely on the Carrier assessing the need of the Guest on grounds of safety and may vary from Vessel to Vessel.
- 5.13 Where any mobility or other equipment is lost or damaged by the fault or neglect of the Carrier then it is the Carrier's decision as to whether to repair or replace such equipment taking into account the reasonable requirements of the Guest. All equipment must be capable of being carried safely and must be declared at the time of booking. The Carrier may decline to carry such equipment where it is not safe to do so or where it has not been notified in time to enable a risk assessment to be carried out.

- 5.14 Any Guest who embarks, or allows any other guest for whom he or she is responsible to embark, when he/she or such other guest is suffering from any sickness, disease, injury or infirmity bodily or mental or to his/her or her knowledge has been exposed to any infection or contagious disease, or for any other reason is likely to impair the safety or reasonable comfort of other persons onboard, shall be responsible for any loss or expense incurred by the Carrier or the Master directly or indirectly in consequence of such sickness, disease, injury, infirmity, exposure or refusal of permission to land unless in the case of sickness, disease, injury, infirmity or exposure the same has been declared in writing to the Carrier or the Master before embarkation and the consent in writing of the Carrier or the Master to such embarkation has been obtained.
- 5.15 Although the Vessel is planned to be berthed at all times at the Cruise Terminal, conditions may arise when it will be necessary to anchor offshore rather than alongside. When this is the case, the Carrier will use a tender to take Guests ashore. A tender is a small vessel and may not be suitable for persons with Disabilities or Reduced Mobility or balance problems. When using tenders, safety is the utmost priority and it is important that the Guests are able to use the tender safely. The Guests may be required to descend to a platform or pontoon and into the tender. There may be steps both up and down and Guests may need to navigate a gap between the platform and the tender (which can be approximately 1.5 ft). Depending on weather, tide and sea conditions, there may be some movement, which could change throughout the course of the day. Guests must be fit and mobile enough to access and disembark the tender. If Guests have impaired mobility, or use a mobility aid such as a stick, then they must carefully consider their ability to embark the tender safely before making their way down to the platform. Guests must take into consideration the use of steps, the possibility of a gap and height difference between the platform and the tender, and the potential sudden movement of the tender when making a decision. Wheelchairs and mobility scooters will not be carried by the crew to the tender. All Guests must be independently mobile enough to use the tenders. Ultimately, carriage by tender may be refused by the Master or any of his officers if there is any doubt as to the safety of any Guests.

All Guests must take extra care when stepping on and off the tender. There will be crewmembers there to guide and steady Guests as they embark and disembark but they cannot support, lift or carry Guests. The same precautions apply when Guests disembark the tender in the port.

6. DISABLED GUESTS AND GUESTS WITH REDUCED MOBILITY.

- 6.1 The Company's and the Carriers' priority is always the comfort and safety of its Guests and in order to achieve this the Guest is asked at the time of Booking to provide as much detail as possible of the matters given below so that the Company and Carrier can consider its obligation to carry the Guest in a safe or operationally feasible manner, taking into account any issues relating to the design of the Guest ship or port infrastructure and equipment including port terminals which may make it impossible to carry out the embarkation, disembarkation or carriage of the Guest which may have an impact on the Guests safety and comfort.
- 6.2 The Guest is asked to provide full details at the time of Booking if the Guest:
- a) Is unwell, infirm, Disabled or has Reduced Mobility;

- b) If the Guest requires a special Disabled cabin, since there is a limited number of these available and since the Company would like to, wherever possible, accommodate the Guest so that the Guest is comfortable and safe for the duration of the Cruise;
 - c) If the Guest has any special seating requirements;
 - d) If the Guest needs to bring any medical equipment on board;
 - e) If the Guest needs to bring a recognised assistance dog on board the vessel (please note that assistance dogs are subject to national regulations).
- 6.3 Where the Company and/or the Carrier consider strictly necessary for the safety and comfort of the Guest and in order for the Guest to fully enjoy the Cruise, it may require a Disabled Guest or Guest with Reduced Mobility to be accompanied by another person who is capable of providing the assistance required by the Disabled Guest or Guest with Reduced Mobility. This requirement will be based entirely on the Company and/or the Carrier assessing the need of the Guest on grounds of safety and may vary from vessel to vessel and/or itinerary to itinerary. Guests confined to a wheelchair are asked to kindly furnish their own standard size collapsible wheelchair during the whole stay and might also be requested to be accompanied by a travelling Guest fit and able to assist them..
- 6.4 If the Guest has any particular conditions, Disability or Reduced Mobility which require personal care or supervision then such personal care or supervision must be organized by the Guest and at the Guest's expense. The vessel is unable to provide respite services, one-to-one personal care or supervision or any other form of care for physical or psychiatric or other conditions.
- 6.5 If after careful assessing the Guest's specific needs and requirements, the Company and/or the Carrier concludes that the Guest cannot be carried safely and in accordance with applicable safety requirements then the Company can refuse to accept a Booking or embarkation of a Disabled Guest or Guest with Reduced Mobility on the grounds of safety.
- 6.6 The Company reserves the right to refuse to carry any Guest who has failed to adequately notify the Company of any disabilities or needs for assistance in order for the Company and/or the Carrier to make an informed assessment that the Guest can be carried in a safe or operationally feasible manner on the grounds of safety. If the Guest does not agree with a decision of the Company under clauses 6.5 to 6.6 of these Booking Terms & Conditions then the Guest must provide a complaint in writing with all supporting evidence to the Company.
- 6.7 The Company reserves the right to refuse to carry any Guest who in the opinion of the Company and/or the Carrier is unfit for travel or whose condition may constitute a danger to themselves or others on the Cruise on the grounds of safety.
- 6.8 For the safety and comfort of the Guest, if the Guest becomes aware between the date of Booking and the date of commencement of stay that he/she will require special care or assistance as detailed above, the Guest is asked to inform the Company immediately so that the Company and the Carrier can make an informed assessment whether or not the Guest can be carried in a safe or operationally feasible manner.

7. PUBLIC HEALTH QUESTIONNAIRE

- 7.1 The Company and/or the Carrier and/or the health authorities in any port shall be entitled to administer a public health questionnaire on their own behalf. In addition to any Health and Safety measures that the Company may adopt, the Guest shall supply accurate information regarding symptoms of any illness including but not limited to gastrointestinal illness, H1N1 and COVID-19. The Company/Carrier may deny boarding to any Guest that it considers in its sole discretion to have symptoms of any illness including viral or bacterial illness including but not limited to Norovirus, H1N1 and COVID-19. Refusal by a Guest to complete the questionnaire may result in denied boarding.
- 7.2 Where Guests become ill during the stay on board with viral or bacterial illness the ship's doctor may request them to remain in their cabin for reasons of safety.

8. FOOD ALLERGIES

- 8.1 Guests are reminded that some foods may cause an allergic reaction in certain people due to intolerance of some ingredients. If the Guest has any known allergies, or is intolerant to any food, he/she is required to inform the Company at the time of Booking (by duly filling in a specific form) and further to report it to the Maître d'hôtel as soon as convenient after boarding the ship.
- 8.2 It is the responsibility of the Guest to ensure that he/she actively avoids any food he/ she is allergic to. The Company will take all reasonable care if made aware in writing of any specific food or ingredient the Guest has an allergic reaction to and assist the Guest within reason to avoid any such food or ingredients if made aware by the Guest according to clause 8.1 above; in absence of such information neither the Company, nor the Carrier will be held responsible for preparing special meals for the Guest or any other prepared meals consumed by the Guest. In case of multiple allergies/intolerances, even though informed according hereto, the Company or the Carrier might not be able to avoid the risk of cross-contamination during food preparation and therefore neither the Company, nor the Carrier will be held responsible if such contamination occurs.

9. MEDICAL ASSISTANCE

- 9.1 Guests are strongly recommended to have comprehensive travel health insurance covering medical treatment and repatriation costs and expenses.
- 9.2 In compliance with Flag State requirements, there is a qualified doctor onboard and a medical centre equipped for first aid and minor conditions only. The Guest hereby acknowledges and accepts at the time of Booking that the medical centre is not equipped as a land based hospital and the doctor is not a specialist. Neither the Company, nor the Carrier, nor the doctor shall be liable to the Guest as a result of any inability to treat any medical condition as a result.
- 9.3 The Guest acknowledges that whilst there is a qualified doctor onboard the vessel, it is the Guest's obligation and responsibility to seek medical assistance if necessary during the Cruise and will be responsible to pay for onboard medical services.

10. MEDICAL EQUIPMENT

- 10.1 It is important that Guests contact the manufacturer or supplier to ensure that any medical equipment they are intending to bring on board is safe to use. It is the responsibility of the

Guests to arrange delivery to the docks prior to departure of all medical equipment and to notify the Company prior to Book if they need to have medical equipment on board so that the Company and the Carrier can ensure that the medical equipment can be carried safely.

- 10.2 It is the Guests responsibility to ensure that all medical equipment is in good working order and for arranging enough equipment and supplies to last the entire voyage. The ship does not carry any replacement and access to shore side care and equipment may be difficult and expensive. Guests must be able to operate all equipment.

11. BOOKING CHANGES REQUESTED BY THE GUEST

- 11.2 The Guest is entitled to replace himself with a third party provided that.
- (i) said third party satisfies all the conditions for the stay on board and all the requirements contained in the present Booking Terms and Conditions ; and
 - (ii) written notice is duly sent to the Company no later than 7 days before the check-in scheduled date.

Name changes requested within 7 days of the check-in scheduled date will be considered as cancellation.

The Guest and the third party contract assignee shall be jointly liable to the Company to pay the price of the stay on board and any additional cost that may arise as a consequence of the change in Passenger.

- 11.2 Name or changes are not always allowed by Carriers and other transport or services providers whenever they are made. Most Carriers and other transport or services providers treat such changes as a cancellation and charge accordingly. Any additional costs including cancellations fees and/or increased prices levied by Carriers or other third party providers will be exclusively for the Guest's account, and be charged as part of the fee mentioned in clause 11.1 above.

- 11.3 Requests of amendments to the Booking received by the Company beyond the above time limits will be treated as cancellations and the cancellation charges detailed in clause 12 below will apply.

- 11.4 In case the changes requested by the Guests entail the printing of new tickets, further to the above mentioned fees an amount of EUR 25.00 per cabin will be charged to cover the extra costs. This does not apply for changes pursuant to item 11.1 where the changes reflect the actual costs.

- 11.5 Once confirmed, Contracts regarding the purchase of accommodation and F1® ticket cannot be subject to any ticket type change or any cabin type change.

12. CANCELLATION BY THE GUEST

- 12.1 Cancellation of the Booking must be requested in writing (registered letter, email or fax) to the Company or via the Guest's Sales Agent. All tickets issued and the confirmation invoice must be returned together after the notice of cancellation.

12.3 In case a cabin remains for single use after the cancellation of a Guest, the Guest occupying the cabin for single use will be asked to pay a single surcharge charged by the Company for any single cabin Booking. Alternatively, should the remaining single passenger opt to cancel the Booking, the latter will pay the cancellation charges in accordance with clause 12.2 in addition to the insurance premium booking.

12.3 It may be possible for the Guest to claim these cancellation charges from his/her travel insurance provider, subject to any applicable deductibles. It is the Guest's responsibility to make such a claim under the terms of his/her insurance policy.

13. BOOKING CHANGES EFFECTED BY THE COMPANY

13.1 Arrangements for Bookings and Accommodations are made in advance by the Company. Very occasionally it may be necessary to alter them; therefore the Company expressly reserves the right to change the arrangements for the Booking and Accommodation should such changes become necessary or advisable for operational, commercial or safety reasons.

13.2 In the event of a significant alteration to an essential term of the Contract, the Company will inform the Guest or his/her Sales Agent of such change in writing as soon as reasonably possible.

13.3 The Company has the right to assign another cabin for the Guest, as long as it has similar characteristics. If there is a change in accommodation to a lower-priced cabin, the Guests affected by such change will be entitled to a refund of the price difference, according to the current rates.

14. CANCELLATION BY THE COMPANY
